LATE HARVEST · TOSCANA IGT

Dianella's dessert wine, from late-harvested Malvasia.

A late harvest of Malvasia lunga del Chianti, a loose-clustered variety ideal for drying: a soft, enveloping wine in which the sweetness is supported and balanced by a lively acidity.

TASTING PROFILE

Golden yellow with amber highlights. Intense on the nose, with candied apricot, fig and dates over an ethereal background of dried fruit and sweet spices. Soft and enveloping, well structured, with a long, complex finish.
